

Bingham Canyon Corporation (BGHM: OTCM)

Bingham Subsidiary, Paradigm Convergence Technologies Secures EPA Registration of Hydrolyte® as a Microbial Pesticide

Lenexa, Kansas, December 16, 2016

Paradigm Convergence Technologies announces that it has secured an Environmental Protection Agency (EPA) microbial pesticide registration for its **Hydrolyte®** products. The registration is required for the sale and distribution of pesticides in the United States.

With the registration in hand, Paradigm and its distributors can commence immediately the full implementation of their planned marketing and sales programs for the 1st quarter of 2017.

To obtain more information about Paradigm Convergence Technologies, please visit our website at www.para-con.com and consult our most recent SEC filing: 10Q Quarterly Report for the period ending September 30, 2016.

Forward Looking Statements: This release contains or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, management; as well as estimates and assumptions made by management. Such statements reflect the current view of the Company with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the Company's industry, operations and results of operations and any businesses that may be acquired by the Company. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.
